Al Myles liked the Van idea. He also stated that 80 to 90 people are the number of agents we could expect to attend.

Vote on 1st motion. **Motion Passed.**

Donna Beliech: Asked about **Dr. Joe Street's** offer of giving \$500.00 /person. Does this mean that they get this money only if they share a room as we do with our regular travel? **Glenn** said that he would check it. Then the letter that Dr. Street sent was pulled out and it was clarified that: (Read from Letter) *Transportation expenses equal to one-half the regular mileage rate, actual meals (out-of-state limits apply), actual receipted lodging at one-half the double room, and receipted registration fees have been approved.*

Al Myles: "Retirees are a critical situation." "We purchased blazers from J.C. Penny @ \$89.99 each. Jacket with MSU Logo for \$59.99 each." "12 or more gives us a 15% discount." "They need 4 to 6 week's notice to have them on time."

Glenn: Requested sizes from the ones he knew were retiring. "They have until July 7th to change their mind about retirement." **Al** stated: "That's correct!"

Glenn: Brought up the question about Complimentary MACAA membership for new ANR Extension Agents. **Al** said that he had to leave but he supported the concept. Discussion about how the restructuring would affect our membership & **Glenn** stated that he would ask Administration to address this on August 4th at our PIC conference.

"We are going to the Cluster System" "They are leaving the door open to tweak the system" There will be 6 agents covering a 4 County area. (2 Ag. Agents) (2 4-H) (2 FCS). In the Delta it may be 3 Ag. Agents / 4 Counties. Other areas it may be 1 or it may be 2. "The Southeast District is losing most ANR Agents. More than half.

Donna: "Is MACAA sending a letter out with our preferences on our likes and dislikes as to the changes?"

Glenn: "I will write a letter to **Gregory Bohach, of Idaho** to thank him for meeting with us & I will express sentiments of the Board of Directors to him." "I will also make him an offer to meet with all Associations again." **Bill Burdine & Glenn Hughes** will meet to compose the letter.

Glenn: "The budget for South Carolina National meeting in 2011 is: \$370,000.00." "It will be over \$400,000.00. "It was brought up by Louisiana, that we Co-Host the National meeting with them in 2016." The question was raised: "What will it cost us?"

Bill Burdine: "We need a lot more information about the details of what our role would be in this joint venture." "We don't want to just furnish money & not get at least ½ the recognition we would deserve."

Glenn: The bid is due by 2012. 4 years in advance of the host year. Motion to agree to Co-Host with Louisiana was cancelled.
